

MONUMENTAL ME & THE MINDSHARE PODCAST

LEVERAGE THE PLATFORM OF OUR AWARD WINNING PODCAST TO HELP YOUR COMMUNITY THRIVE

Storytelling, tools, advice and how-to. We excel at bringing extraordinary people's stories to help people thrive.

WHO WE ARE + WHAT WE DO

Monumental Me makes personal development tools *accessible to all*. Our motto is ***Find Your Thrive***. We offer free and premium products that are engaging and designed for lasting results. This includes The Mindshare Podcast, an innovative and easily accessible way to detail and reinforce our curated evidence-based tools for well-being through storytelling and engaging conversation. Our work is based on evidence-based research in positive psychology, deep business experience, executive education, and the creation and implementation of equity and inclusion initiatives for corporate and business education.

OBJECTIVE

To equip corporate employees and leadership with the tools to leverage current well being, leadership and DEI awareness and training for individuals to achieve well-being at work to maximize productivity, growth, and retention and support high-performing teams. *Our goal is to work with organizations to complement development and DEI efforts to create alignment and sustainable change across the ranks, we strive for:*

- Unification
- Understanding
- Increased engagement
- Create a culture where all employees are enabled and encouraged to develop growth mindsets as "Learn-it-all" and not "Know-it all"
- Operate more effectively and efficiently

MONUMENTAL ME & THE MINDSHARE PODCAST

PODCAST:

We propose the creation of a custom Monumental Me + COMPANY. Producer and host Liana Slater works in partnership to create a unique platform for internal learning and development, culture and community building, and ultimately to reach COMPANY'S business objectives, through the power of storytelling.

Liana brings her expertise as Producer and Host of 2 Podcasts: *The Mindshare Podcast* and *The INSEAD Business School Women in Business Podcast*. *The Mindshare Podcast* is accessible across 7 podcast platforms. Access a sample episode [here](#), with guest Ripa Rashid on "Work and the Authentic Self," season 3 episode 4.

Scope: Produce podcast series from concept to delivery, identify participants, create guidelines and talking points, execute, edit and deliver.

Episodes: 6 episodes across a spectrum of employees + internal changemakers + 1 teaser episode

Cost: TBC

MONUMENTAL ME & THE MINDSHARE PODCAST

LIANA SLATER BIO:

Liana builds education and leadership programs and holds an MBA and certificate in Leadership in the Digital Age from INSEAD Business School. Liana evolved from a media and tech executive, an early employee at Google, and moved on to develop a career in adult learning, most recently building and implementing executive leadership programs for Fortune 500 companies, advising start-up and scale-up businesses, and as a social impact leader. She is also Co-Founder and Co-President of the Global Women in Business Club for her alma mater.
